# WALCART

Issues of Ordering Process
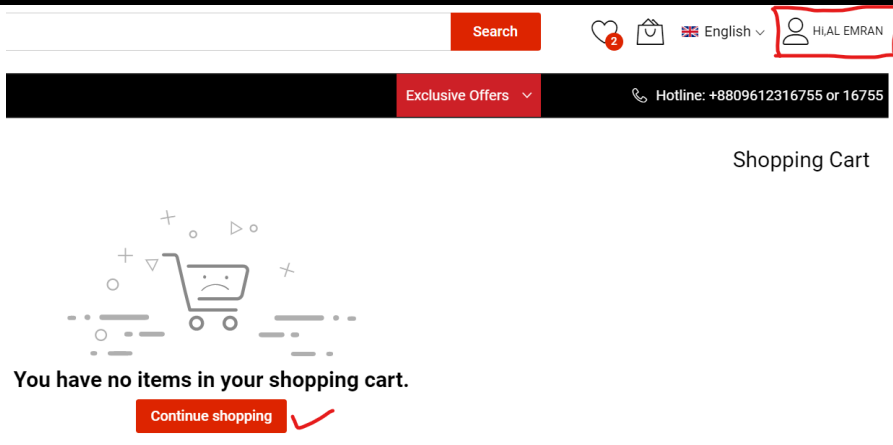

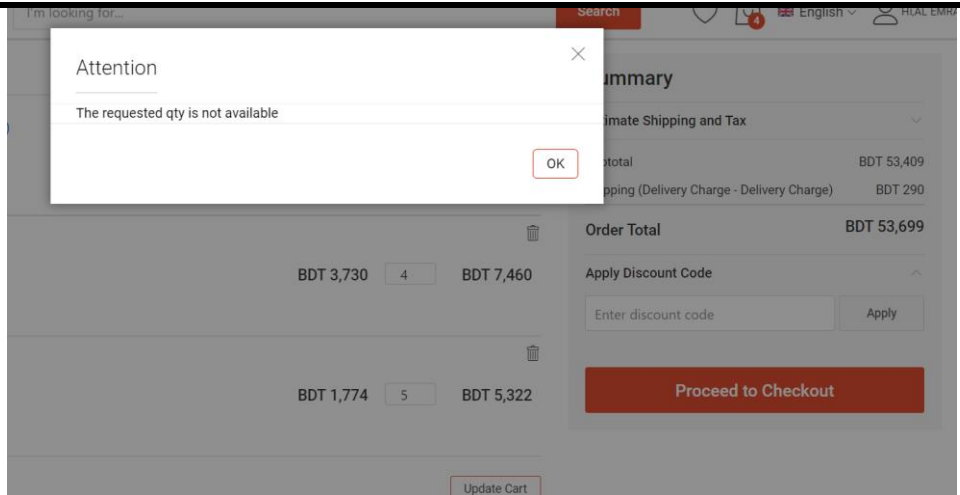

Issue ID:	001
Title/Summary:	**Cannot continue shopping/add to cart after applying EMI.**
Reporter Name:	AL EMRAN NAYEM
Reported Date:	25/9/2022
Who Detected:	QA
How Detected:	Throw manual testing
Project Name:	**https://www.walcart.com/**
Environment:	Win- 11.Chorme Browser.
Issue Description:	After applying EMI to a particular product, the user cannot add to the cart any other product even without applying the EMI facility.
Proposed Solution:	The system doesn't accept more than one EMI application but should accept multiple product purchase transactions (without an EMI application).

Issue ID:	004
Title/Summary:	**Cannot process multiple quantity changes.**
Reporter Name:	AL EMRAN NAYEM
Reported Date:	25/9/2022
Who Detected:	QA
How Detected:	Throw manual testing
Project Name:	**https://www.walcart.com/**
Environment:	Win- 11.Chorme Browser.
Issue Description:	By ordering multiple products and changing the quantity of the multiple products at a time, shows an attention message. And System can only decrease the quantities of multiple products and calculate the prices but when we increase more than 3 or increase and decrease both in quantities of more than 3, it cannot accept and process the calculation.
Proposed Solution:	Should be accepted multiple quantities changes before the ordering process.
